Dear (Homeroom Teacher)'s class families,

Teacher Appreciation is rapidly approaching! We would like to do a group gift for \_\_\_\_\_ . Some of his/her favorite places are:

---

Please send in your child's gift card (or cash, if you prefer) by (date) so we have time to make a lovely arrangement. The students will present this class gift to him/her the day of the Luncheon (Luncheon date).

As you recall, we collected money earlier in the school year for \_\_\_\_\_ , \_\_\_\_\_ grade's special Enrichment teacher. We will be using those contributions to get nice gifts for his/her birthday and for Teacher Appreciation.

As always, all students will have the opportunity to sign a card for their teachers.

Thank you for your continued support and God bless.
